

Bid Selection Criteria 26022001

Only bids that are technically compliant will be considered for financial evaluation.

1. Technical Eligibility (Pass/Fail)

Bidders must fully comply with all technical and quality requirements, including:

- Approved country of origin (EU, Turkiye, India, Korea, or Syria).
- Minimum one-year remaining shelf life at delivery of each patch.
- Full compliance with specifications and dosage forms.
- Adequate cold-chain and transport assurance where applicable.
- Official registration and a valid license to import and export the annexed medications.

Any bid failing the above requirements will be rejected and not scored.

2. Technical Scoring (50%)

Applied only to technically eligible bids.

Criterion	Weight	Notes / Evidence
Product compliance with specifications and dosage forms	10%	Product datasheets, CoA, registration documents.
Delivery timeline and logistics capacity	25%	Delivery schedule, cold-chain plan, transport and storage capacity.
Supplier capacity and experience	15%	Past performance, references, relevant supply experience, QA system.
Total Technical Score	50%	

3. Financial Evaluation (50%)

Applied only to bidders passing the technical evaluation.

- Evaluation based on the total delivered price in USD.
- Scoring formula:

$$\text{Financial Score} = (\text{Lowest evaluated price} / \text{Bid price}) \times 50$$

4. Final Ranking

- Final Score = Technical Score (50%) + Financial Score (50%)
- Contract will be awarded to the highest total score.
